CONDITIONS OF SUPPORT

The Parish Council may make an award subject to all or some of the following conditions. Required conditions will be at the discretion of the Parish Council and take into account organisations individual circumstances.

- In order to fully understand your project or activity, Parish Councillors need a full explanation of the project, costs including any quotes and any alternative funding being sought.
- Applicant must attend and speak and give details of the application, at the relevant Parish Council meeting.
- The applicant must be able to demonstrate that any funding provided by the Parish Council will be of benefit to the Parish or its inhabitants.
- As a minimum, organisations must write to the Parish Clerk confirming receipt of the cheque for audit purposes.
- Funds received must only be used for the purpose agreed with the Parish Council and any monies not spent on the agreed project must be returned.
- If the project costs are greater than that anticipated on the application, any shortfall must be met by the organisation.
- Funding must be spent within the financial year awarded and cannot be added wholly or in part to the organisations reserves.
- The Parish Council would expect that you acknowledge its support in your publicity and annual reports.

Grants will be considered up to a ceiling of £500.00 per award but the Parish Council will not exceed the annual grant budget of £2,500. It should be noted that it is not acceptable just to request the maximum figure.

All groups will be treated equally. Applications should be for 'one-off' grants, which will not result in recurring expenditure to the Parish Council. If an organisation has received a grant previously, they are not guaranteed to

receive financial support again, but are not excluded from applying in a different financial year. A fresh application will be required each time.

How will Decisions be made?

All applications will be considered at the next Parish Council meeting, after all the relevant information has been received. The applicant will be expected to attend this meeting to answer questions that may arise from their application. The Parish Council's decision is final. Unfortunately, the Parish Council may not be able to fund all potential projects, however all applications will be considered carefully. Due account will be taken of the extent to which the organisation has its own fund-raising activities or sought funds from other sources.

How to apply?

Applications should be submitted to the Parish Clerk on the standard application form. The Grant Application Form can also be downloaded from the Parish Council website www.eastcokerparish.com.
